## SUMMARY & OBJECTIVE

A master degree student in Computer Science, TU Dresden with almost 1 year experience as Junior Java Programmer looking for student job as Java, Go or Scala programmer, ready to learn.

## EDUCATION AND TRAINING

### 2015–Present Master's degree in Distributing Systems Engineering

Technische Universität Dresden, Dresden (Germany)

- Design patterns & frameworks
- Security & Cryptography
- Transactional Information Systems
- Mobile Communication and Computing
- Systems Engineering
- Distributing Systems

### 2014–Present Master's degree in Information and Telecommunication Networks

National technical university of Ukraine "Kyiv Polytechnic Institute", Kyiv (Ukraine)

- Distributing systems engineering
- Mobile networks
- Mathematical modelling of telecommunication systems

### 2010–2014 Bachelor's degree in Telecommunication

National technical university of Ukraine "Kyiv Polytechnic Institute", Kyiv (Ukraine)

- Programming language (C#/Java)
- Basic engineering disciplines (Physics, High Math, Probability Theory)
- Computer network structure and protocols (TCP/IP, OSI, etc.)
- Theory of electrical circuits

### 05/2014–08/2014 Java EE Student at SoftServe Academy

SoftServe, Kyiv (Ukraine)

- Spring Core (DI & IoC), Spring MVC, Spring Security
- Hibernate
- Maven
- REST Services

## WORK EXPERIENCE

03/2015–10/2015 (7 month)

### Junior Java Developer

GlobalLogic Inc., Kyiv (Ukraine)

Java Developer for **Harmonic Inc.** - worldwide leader in video delivery infrastructure for emerging television and video services

- Implemented client-server file-upload feature for GWT application

Keywords: Java, GWT, GXT, MPEG, Client-Server communication, XML, Regular expressions, GWTUpload, XMLHttpRequest API

12/2014–03/2015 (4 month)

### Associate Software Developer

GlobalLogic Inc., Kyiv (Ukraine)

- Implemented 11 product features for 8 product releases
- Fixed all important bugs (Priority 1 & 2) for 8 releases
- Created and conducted reviews of 11 Systems Reference Documents

Keywords: Java, GWT, GXT, MPEG, Client-Server communication, XML, Regular expressions.

## COMPUTER SKILLS

### SKILL CATEGORY

### SKILL LIST

Programming languages	Java (Core, Design Patterns, JUnit, Servlets) , SQL, JavaScript (basic), Scala (basic)
JEE Frameworks	JDBC, Servlets/JSP Spring , Spring MVC, Spring Security, AngularJS, GWT, Sencha GXT
Databases	MySQL, SQLite, H2
Web	HTML/CSS, XML, RESTful web services
Operating systems	Windows, GNU/Linux, Mac OS
Development tools	IntelliJ IDEA, Maven, ANT, CI Teamcity, CI Jenkins, Junit, Crucible
Methodologies	Agile/Scrum, TDD

## PERSONAL SKILLS

Mother tongue(s) Ukrainian, Russian

English B2

German A1

Organisational / managerial skills

President of Organization Committee of "UniversITy'13"  
**AIESEC**, Kyiv (Ukraine)

- Managed a team of 5 people
- Conduct conference for 100 people
- Invited 10 speakers
- Raised 8 sponsors

Job-related skills

Proactive, Team player, Strong willingness to learn

## SCHOLARSHIPS

10/2015–3/2016 (6 month)

DAAD Scholarship - Ostpartnerschaften
